General Guidelines

- Please check building thoroughly before use, so that you can leave it in as good condition as you found it – *or better!*
- Rental includes the main floor of the building only. **Nothing** in basement is included in rental.
- Use your key to permanently unlock the front door from the inside by holding down the panic bar while turning the key. Make sure to lock the door back when you leave. **DO NOT PROP THE DOOR OPEN** unless you put the switch on the automatic door opener in the **OFF** or **OPEN** position. Propping open the door will damage the automatic door opener.
- Children must be supervised by adults at all times. Youth groups must have at least 2 adults supervising activities.
- Sneakers are required for all athletic events. No food or drink allowed on gym floor during athletic events.
- Please bring own supplies, such as paper towels, garbage bags, dish soap, etc. You may use the kitchen and refrigerator, but remember to take food when you leave.
- Please monitor restrooms. There is a restroom on the main floor and is accessed through the kitchen. The light switch in the kitchen also turns on/off the bathroom lights. Be sure restroom is clean and neat before you leave.

BEFORE YOU LEAVE THE BUILDING, PLEASE:

1. Be certain the kitchen and restroom are clean. Do not leave anything behind!
2. Replace outlet covers if you removed them for use.
3. Return clean tables and chairs to proper storage. They are stored in the room at the back of the gym.
4. Sweep gym floor, dispose of dirt with dust pan and shake dry mops out back door.
5. If floor is sticky, use water only to clean floor. PLEASE take care of our brand new floor.
6. Take your garbage bags with you.
7. Double check to see that all lights are off and doors are locked.
8. Please turn lights on and off at the wall switch, DO NOT tinker with the breaker boxes.
9. Reset the thermostat to the temperature it was when you arrived.
